

Plasan North America Supplemental Terms & Conditions for Project 0223002

Rated Order Contract. This Order may contain rated order quantities certified for national defense use, Seller will follow all provisions of the Defense Priorities and Allocation System (DPAS) regulation (15 CFR 700) as it pertains to the rated quantities. Rated quantities will be specifically identified either in a Prime Purchase Order, Quantitative Order, Requirements Contract or Purchase Order as applicable. Seller is required to comply with acceptance/rejection guidelines and requirements set forth in 15 CFR §700.13(d). Specifically, Seller must (a) accept a DX rated Prime Purchase Order, Quantitative Order, Requirements Contract or Purchase Order within ten (10) business days after receipt of this Order or (b) accept a DO rated Prime Purchase Order, Quantitative Order, Requirements Contract or Purchase Order within fifteen (15) business days after receipt of this Order, in each case, in the manner prescribed therein (if any). Seller's failure to specifically accept a DX rated or DO rated Prime Purchase Order, Quantitative Order, Requirements Contract or Purchase Order shall not relieve Seller of its obligations under this Order.

Government Prime Contracts. If this Order is placed under a Government Prime Contract, the pricing of any equitable adjustment hereunder, or of any other adjustment under this Order, shall be in accordance with the cost principles enunciated in Part 31 of the FAR in effect on the effective date of this Order.

If this Order is placed under a United States Government Prime Contract or subcontract, the indemnification set forth in Section 14 of the General Terms and Conditions shall extend to the United States Government only if and to the extent that the United States Government is or may be indemnified by Buyer.

Seller's Solvency. Seller represents and warrants to Buyer as of the effective date of this Order (which representations and warranties will be deemed repeated as of the date of Seller's acceptance of each Schedule Notice under this Order or at the time of each delivery under this Order) that (a) it is not insolvent and is paying all debts as they become due; (b) it is in compliance with all loan covenants and other obligations; (c) that all financial information provided by Seller to Buyer concerning Seller is true and accurate; (d) that such financial information fairly represents Seller's financial condition; and (e) that all financial statements of Seller have been prepared in accordance with generally accepted accounting principles, uniformly and consistently applied.

Operational Problems. Seller agrees that if Seller experiences any delivery or operational problems, (a) Seller will permit Buyer and its representatives to review Seller's books and records concerning compliance with this Order and Seller's overall financial condition and agrees to provide Buyer with full and complete access to all such books and records for such purpose upon Buyer's request and (b) Buyer may, but is not required to, designate a representative to be present in Seller's applicable facility to observe Seller's operations. Seller agrees that, if Buyer provides to Seller any accommodations (financial or otherwise) that are necessary for Seller to fulfill its obligations under this Order, Seller must reimburse Buyer for all costs, including attorneys' and other professionals' fees, incurred by Buyer in connection with such accommodation and will grant a right of access to Buyer to use Seller's premises, machinery, equipment and other property necessary for the production of Goods covered by this Order (and a lien to secure the access right) under an access and security agreement.

Termination for Insolvency. Buyer may terminate this Order in the event of the happening of any of the following or any other similar or comparable event and such termination shall not constitute a breach or default by Buyer:

- (A) insolvency of Seller;
- (B) the filing of a voluntary petition in bankruptcy by Seller;
- (C) the filing of any involuntary petition to have Seller declared bankrupt that is not vacated within thirty (30) days from the date of filing;
- (D) the appointment of a receiver or trustee for Seller, provided such appointment is not vacated within thirty (30) days from the date of such appointment;
- (E) the execution by Seller of an assignment for the benefit of creditors; or
- (F) Seller's inability to promptly provide Buyer with adequate and reasonable assurance of Seller's financial and operational capability to perform timely any of Seller's obligations under this Order.

Dispute Under a Government Prime Contract. If, by a final decision, the Contracting Officer of a U.S. Government Prime Contract interprets any provision or requirement of a U.S. Government Prime Contract (including exhibits, appendices, and attachments thereto and documents referred to therein), and the same or substantially similar provision or requirement is contained in this Order (including exhibits, appendices, and attachments thereto and documents referred to therein), such interpretation shall be binding between Buyer and Seller at Buyer's option. Buyer shall afford Seller a reasonable opportunity to appeal such decision in Buyer's name; provided, however, that Buyer shall at all times be the sponsor of any appeal and may revoke its sponsorship at any time. Seller agrees to provide to Buyer any and all information requested by Buyer for the purpose of verifying,

Plasan North America Supplemental Terms & Conditions for Project 0223002

supporting, or providing any and all certifications required in any claim or appeal by the Contract Disputes Act of 1978, 41 U.S.C. Section 7101 et seq. or otherwise. Any such appeal shall be at the sole expense of Seller. (As used in this provision, the term “appeal” shall include any and all proceedings under this provision before any board of contract appeals or federal court.) Except as may be expressly set forth herein and with the Government’s express consent, Seller shall not acquire any direct claim or direct cause of action against the Government. Despite Section 34.9 of these Terms and Conditions, the choice of law for any dispute directly against the Government shall be governed by FAR 52.233-4.

Flow Down of Clauses to Lower-Tier Subcontracts. Seller shall insert the FAR and DFARS clauses included in this Order (and any update or change thereto) in lower tier subcontracts to the extent required for each lower tier subcontract by the FAR or DFARS either verbatim, in substance, by incorporation-by-reference or otherwise as appropriate.

Meaning of Terms in Incorporated Clauses. Wherever used in a clause herein (and any change or update thereto), the terms “Contract” and “Contractor” shall mean this Order and Seller (including Seller as Bidder or Offeror), respectively. The terms “Government,” “Contracting Officer,” and equivalent phrases in the clauses herein (and any update or change thereto) shall mean Buyer, except where further clarified or modified, except that in clauses identified by * shall have their original meaning as written in the FAR or DFARS, and when identified by ** shall not only have their original meaning as written in the FAR or DFARS, but shall also mean “Buyer.” “Subcontractor” shall mean “Seller’s Subcontractor.”

Certification of Compliance with Mandated Clauses. Seller, by accepting this Order, hereby certifies compliance with the mandated clauses set forth within FAR 52.212-3 (for Commercial Items) and/or FAR 52.204-8 (for Non-Commercial Items), including any Supplier Representations and Certifications documents requested by Buyer.

Non-Solicitation. Buyer will not solicit and Seller shall not provide, any gifts or gratuities (including but not limited to money, fees, commission, credits, gifts, things of value, or compensation), of any kind which is provided directly or indirectly to any employee of Buyer for the purpose of improperly obtaining or rewarding favorable treatment in connection with award of a purchase order or subcontract. Seller shall report in writing any solicitation or suspected solicitation of gifts or gratuities by Buyer’s employees to Buyer’s Authorized Representative.

No Advertising and Clearance Of Material Intended For Public Release. Without the prior written consent of Buyer, Seller will not make any disclosure, news release or public announcement in any manner (including, without limitation, in any advertisements, publications or promotional materials) regarding, or refer to, whether by denial or confirmation of same, any of the following: (i) Buyer, (ii) this Order, (iii) any part of the subject matter of this Order, or (iv) the fact that Seller has contracted to furnish Buyer the Goods covered by this Order. Seller will not use any trademarks or trade names of Buyer in Seller’s advertising, publications or promotional materials without first obtaining the written consent of Buyer.

Certificates. Seller shall furnish to Buyer any certificate required to be furnished by any provision of this Order, including any clauses incorporated by reference herein, and any certificate required by any future law, ordinance, or regulation with respect to Seller’s compliance with the terms and provisions of such laws, ordinances, or regulations. As used in this Article, the word “certificate” shall include any plan or course of action or recordkeeping function.

U.S. Government Clauses

The following clauses are included within the relevant prime contract and are flowed down to suppliers, applicable as indicated.

COST AND SOFTWARE DATA REPORTING (CSDR)

The Government CSDR requirements will be invoked in any subcontract when the subcontract value is expected to exceed \$50 million using the maximum allowable contract quantities, hours, or options (as applicable), as required by Department of Defense (DoD) 5000.04-M-1 - CSDR Manual. Such subcontracts require the supplier to electronically deliver CSDR deliverables directly to the Defense Cost and Resource Center (DCARC). Subcontractors subject to CSDR reporting thresholds are required to collect data in sufficient detail to meet CSDR Plan requirements.

HAZARDOUS MATERIALS MANAGEMENT

For the purposes of this contract, hazardous materials are defined in FED-STD-313. Hazardous materials prohibitions shall apply to all components, parts, and materials delivered in support of this contract, including items purchased through a subcontractor or supplier, COTS components, Original Equipment Manufacturer (OEM) parts, and manufactured parts.

ACCESS AND GENERAL PROTECTION/SECURITY POLICY AND PROCEDURES

(a) The contractor and all associated subcontractors' employees shall comply with applicable installation, facility, and area commander installation and facility access and local security policies and procedures (provided by the Government representative). The contractor shall also provide all information required for background checks to meet installation access requirements to be accomplished by the installation Provost Marshal Office, Director of Emergency Services, or Security Office. The contractor workforce must comply with all personal identity verification requirements (FAR clause 52.204-9 Personal Identity Verification of Contractor Personnel) as directed by DoD, HQDA, and/or local policy. In addition to the changes otherwise authorized by the changes clause of this contract, should the Force Protection Condition (FPCON) at any individual facility or installation change, the Government may require changes in contractor security matters or processes. (b) For contractors requiring Common Access Card (CAC). Before CAC issuance, the contractor employee requires, at a minimum, a favorably adjudicated National Agency Check with Inquiries (NACI) or an equivalent or higher investigation in accordance with Army Directive 2014-05, The contractor employee will be issued a CAC only if duties involve one of the following: (1) Both physical access to a DoD facility and access, via logon, to DoD networks on-site or remotely; (2) Remote access, via logon, to a DoD network using DoD approved remote access procedures; or (3) Physical access to multiple DoD facilities or multiple non-DoD federally controlled facilities on behalf of the DoD on a recurring basis for a period of six (6) months or more. At the discretion of the sponsoring activity, an initial CAC may be issued on a favorable review of the FBI fingerprint check and a successfully scheduled NACI at the Office of Personal Management. (c) For contractors that do not require CAC, but require access to a DoD facility or installation. Contractor and all associated subcontractors employees shall comply with adjudication standards, and procedures using the National Crime Information Center Interstate Identification Index (NCIC-III) and Terrorist Screening Database (TSDB) (Army Directive 2014-05/AR 190-13), applicable installation, facility and area commander installation/facility access and local security policies and procedures elsewhere in Section C; Nondisclosure Statement; for OCONUS locations, refer to the Status of Forces Agreement and other theater regulations. ***

NON-DISCLOSURE DFARS CLAUSE 252.204-7000

Applicable to all subcontractors. Disclosure of Information, non-disclosure of information prohibits release of unclassified information to the public without approval of the contracting activity.

ANTI-TERRORISM (AT) LEVEL I TRAINING REQUIREMENT

All subcontractor employees requiring access to Army installations, facilities, or controlled access areas shall complete AT Level I awareness training within 30 calendar days after contract start date or effective date of incorporation of this requirement into the contract, whichever applies. PNA is required to submit certificates of completion for subcontractor employee requiring access to Army installations, facilities, or controlled access areas to the COR (or to the contracting officer, if a COR is not assigned) within 30 calendar days after completion of training. AT Level I awareness training is available at <https://jkodirect.jten.mil> Course #JS-US007-14.

iWATCH TRAINING

All associated subcontractors shall brief all employees on the local iWATCH program. This locally developed training will be used to inform employees of the types of behavior to watch for and instruct employees to report suspicious activity to the COR, if assigned, or the Contracting Officer. This training shall be completed within 30 calendar days of contract award and within 30 calendar days of new employees commencing performance, with the results reported to PNA, no later than 45 calendar days after contract award. Training may be obtained at <http://www.myarmyonesource.com/familyprogramsandservices/iwatchprogram/default.aspx>

ACCESS TO SUBCONTRACTORS MOD/AMD

Subcontractors are hereby notified of the Government's right to interface with, collaborate with, audit, and visit, without prior notification, all subcontractors and sub-subcontractors of the prime contractor. Subcontractors are not

Plasan North America Supplemental Terms & Conditions for Project 0223002

limited from interfacing with the Government, collaborating with the Government, being audited by the Government, working with the Government on future design changes or improvements, or hosting Government personnel.

DIMINISHING MANUFACTURING SOURCES AND MATERIAL SHORTAGES (DMSMS)

PNA is required to develop and implement a DMSMS Management Program. Suppliers will be required to provide input and support PNA's DMSMS Management Program. PNA may be required to input information concerning critical or major non-conformances as defined in FAR 46.101 to the GIDEP Information System. Additionally, PNA's subcontracts include the following statement "*The contractor shall deliver information concerning critical or major non-conformances as defined in FAR 46.101 to the GIDEP Information System.*" in any Subcontract. When so inserted, the word "contractor" is changed to "subcontractor." PNA is required to input any GIDEP data which may be pertinent to items of its manufacturer and verify that the subcontractor utilizes any such data.

CONFIGURATION MANAGEMENT (CM)

PNA is responsible for applying CM functions, including processes, responsibilities, resources, and metrics, throughout the product lifecycle, and will flow down these CM requirements to subcontractors to deliver appropriate application of CM function to entire supply chain. Suppliers are required to support and adhere to CM functions.

OPERATIONAL SECURITY (OPSEC)

All awarded subcontractors are required to take OPSEC training prior to start of work on this subcontract. No subcontractor may commence effort prior to completion of OPSEC training. Training is available at <https://securityawareness.usalearning.gov/opsec/index.htm>.

H.5 SPECIAL CONTRACT REQUIREMENT (SCR) FOR IDENTIFICATION AND ASSERTION OF RESTRICTIONS ON TECHNICAL DATA AND COMPUTER SOFTWARE (Intellectual Property)

Applicable to subcontracts under which a supplier generates or modifies technical data or computer software.

H.5.1 Definitions

H.5.1.1 Background Patent is defined as any U.S. patent, or U.S. patent application, or PCT patent application, which covers an invention or discovery which is not a subject invention (as defined in FAR 52.227-11) and which is owned or controlled by the Offeror at any time through the completion of this contract or to which the offeror has an interest through inventorship. The specific patent and application numbers and full titles are required to be provided.

H.5.1.2 Terms used in this Special Contract Requirement (SCR) that are defined in the following clauses and SCR have the same meaning as set forth in those clauses and this SCR:

H.5.1.2.1 DFARS 252.227-7013;

H.5.1.2.2 DFARS 252.227-7014;

H.5.1.2.3 DFARS 252.227-7015; or

H.5.1.2.4 DFARS 252.227-7017;

H.5.2 Identification and Assertion of Restrictions

The contractor shall not deliver or otherwise provide to the Government any technical data or computer software with restrictive markings (or otherwise subject to restrictions on access, use, modification, reproduction, release, performance, display, or disclosure) unless the technical data and computer software has been identified in accordance with the following requirements:

H.5.2.2 Pre-Award Identification and Assertions

In its Assertion of Restrictions (Attachment 0161, Attachment 0172, Attachment 0174) the offeror (including its subcontractors or suppliers, or potential subcontractors or suppliers, at any tier) shall identify all commercial and noncommercial technical data and computer software that is to be delivered or otherwise provided (including all option CLINs as if the option was exercised) including with unlimited rights as follows:

H.5.2.2.1 Noncommercial Technologies

Plasan North America Supplemental Terms & Conditions for Project 0223002

Offeror shall identify all noncommercial technical data and noncommercial computer software including firmware to be delivered and will provide at least the information as required by DFARS 252.227-7017 (JAN 2011) and IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.2.2.2 Commercial Technologies

Offeror shall identify all commercial technical data (i.e., technical data pertaining to a commercial item) and commercial computer software including firmware IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.2.2.3 The requirements to submit, fully populate and complete, and sign the identification and assertions required by paragraphs H.5.2.2.1 and H.5.2.2.2 of this SCR are considered a material element of source selection and failure to meet this requirement will rendered the offer ineligible for award.

H.5.2.3 Post-Award Updates to the Pre-Award Identification and Assertions

Except as provided in this paragraph, the contractor (including its subcontractors or suppliers at any tier) shall not supplement nor revise the pre-award identification and Assertion of Restrictions after contract award.

H.5.2.3.1 Noncommercial Technologies

Post-award identification and assertion of restrictions on noncommercial technical data and noncommercial computer software including firmware are governed by paragraph (e) of DFARS 252.227-7013 (FEB 2014) and DFARS 252.227-7014 (FEB 2014), respectively.

H.5.2.3.2 Commercial Technologies

The contractor may supplement or revise its pre-award identification and assertion of restrictions commercial technical data and commercial computer software only if such an expansion or revision would be permitted for noncommercial technical data or noncommercial computer software including firmware pursuant to H.5.2.3.1. Approval is contingent upon the PCO determination that changes to assertions would not have materially impacted the source selection.

H.5.2.4 Assertion of Restrictions for ECPs

If an ECP will result in the generation of any new data or any changes to the rights proposed at contract award, the contractor shall deliver (with their proposal) a complete Assertion of Restrictions identifying all commercial and noncommercial technical data and computer software that is to be delivered or otherwise provided including with unlimited rights as follows:

H.5.2.4.1 Noncommercial Technologies

Contractor shall identify all noncommercial technical data and noncommercial computer software including firmware to be delivered and will provide at least the information as required by DFARS 252.227-7017 (JAN 2011) and IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.2.4.2 Commercial Technologies

Contractor shall identify all commercial technical data (i.e., technical data pertaining to a commercial item) and commercial computer software including firmware IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.2.5 Assertion of Restrictions for Work Directives

Throughout the life of the contract for each work directive, with each work directives proposal, the contractor must deliver a complete Assertion of Restrictions. In its Assertion of Restrictions the contractor (including its subcontractors or suppliers, or potential subcontractors or suppliers, at any tier) shall identify all commercial and noncommercial technical data and computer software that is to be delivered or otherwise provided including with unlimited rights as follows:

H.5.2.5.1 Noncommercial Technologies

Contractor shall identify all noncommercial technical data and noncommercial computer software including firmware to be delivered and will provide at least the information as required by DFARS 252.227-7017 (JAN 2011) and IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.2.5.2 Commercial Technologies

Plasan North America Supplemental Terms & Conditions for Project 0223002

Contractor shall identify all commercial technical data (i.e., technical data pertaining to a commercial item) and commercial computer software including firmware IAW Attachment 0161, Attachment 0172, Attachment 0174.

H.5.3 Copies of Negotiated, Commercial, and Other Non-Standard Licenses

H.5.3.1 Contractor shall provide copies of all proposed specially negotiated licenses(s), commercial license(s) including open source software licenses, and any other asserted restrictions other than unlimited rights; Government purpose rights; limited rights; restricted rights; STTR data rights; SBIR data rights for which the protection period has not expired; or Government's minimum rights as specified in the clause at DFARS 252.227-7015.

H.5.3.2 In the event the offeror or contractor proposes specially negotiated license rights, it shall include the content and be in the format provided in Attachment 0180 - Specifically Negotiated License Agreement TDP and CSP Purchase Option, for the Technical Data, Computer Software and Patent License Identification and Assertions Listed in Attachment 0161, Attachment 0172, or Attachment 0174, unless a similar content and format is approved, in writing, by the PCO prior to proposal submission.

H.5.4 In the event the Contractor asserts rights to technical data or computer software, the Contractor shall fully abide by H.5.

H.5.5 In the event the offeror asserts rights to technical data or computer software, the offeror shall fully abide by H.5.

H.5.6 In the event a subcontractor generates or modifies technical data or computer software, the Contractor shall flow-down H.5 to that subcontractor.

The following clauses are incorporated herein, with the same force and effect as if they were given in full text. Unless the text in these clauses clearly reserves rights in the Government only or as otherwise noted, the terms "Contractor" means "Supplier," "Contracting Officer" means "PNA," "Contract" means this Subcontract and "Government" means "PNA, the Prime Contractor, or the Government." However, the words "Government" and "Contracting Officer" do not change when a right, act, authorization or obligation can be granted or performed only by the Government or the Prime Contract contracting officer or duly authorized representative. Any references to a "Disputes clause" or resolution of disputes between the Parties in accordance with the "Disputes clause," shall be disposed of in accordance with the provision entitled "Disputes" in this Subcontract. The clauses in this Appendix may be updated from time to time upon direction from PNA's customer.

Unless otherwise specified in the clauses listed below, in order to allow PNA sufficient time to perform its obligations under the clauses, whenever a clause requires action by Supplier within a particular time, that action shall be completed seven (7) calendar days prior to the time identified in the clause, unless the clause requires action within five (5) calendar days or less, in which event the action shall be completed one (1) calendar day prior to the time identified in the clause.

Seller shall insert the following provisions in selected lower tier subcontracts, either verbatim or in substance, and by incorporation-by-reference or otherwise as appropriate.

The following clauses shall apply to subcontracts for COMMERCIAL products and services.
